COURT ACTION: EP: Further Order to Show Cause Why Supervised Release Should Not Be Revoked -

Defendant Pamata Turner present and in custody.

Arguments by the defense.

Defendant admits to violation no. 1; neither admits nor denies violation nos. 2 and 3; and denies violation nos. 4 and 5.

Government requests a continuance in order for USPO Frank Condello to be present - no objection by the defendant.

This hearing is continued to 1/19/07 @ 9:00 a.m.

Court finds that there is sufficient evidence to support violation no. 1 and the defendant has not met that condition of supervised release.

Defendant remanded to the custody of the USM.
